MOMENTUM

FIFTH WHEEL TOY HAULERS

EXTRAORDINARY
LIVING.

Extreme Play.TM

Gaining Momentum

Live big and play even harder. Momentum Toy Haulers are built on a triple axle, drop frame chassis to deliver maximum capacity. The Momentum package is complete with an available king size bed in the bedroom slide, a spacious walk-in style closet, and more luxury features than you can imagine.

380TH

Step into big luxury with features like a standard 18 cu. ft. refrigerator, huge kitchen pantry, custom cabinetry and high definition LED television with home theatre system (380TH shown).

Sliding glass doors on the 380TH give an open and airy feeling.

Sleep comfortably with your choice of King or Queen bed with memory foam mattress, a pull out ottoman and an enormous walk-in-style closet.

A wall mounted faucet and vessel bowl sink adds to the modern feel.

MOMENTUM

M-CLASS

Extreme M-CLASS

The M-CLASS Toy Hauler is lighter in weight than the standard Momentum, but hardly light weight when it comes to luxurious features. Spacious double and triple slide floorplans are available in lengths from 35' - 41'. Inside and out, the luxurious M-CLASS redefines the look and feel of the toy hauler.

350M

The M-CLASS interior boasts an array of modern amenities like a memory foam sofa with heat and massage, 5000 BTU fireplace, designer chocolate cabinetry and oversized picture windows (328M shown).

Maximize your countertop space with the flush mounted covers over the sink and range (328M shown).

Rest well with a true Queen size bed, large night stands and ample "his and hers" wardrobe storage.

A fiberglass shower with seat, glass shower door and porcelain toilet provide a residential feel.

Happi-Jac® Electric Bunk System w/ Folding & Removable Sofas

MOMENTUM

MAX HEADROOM

THE OTHER GUYS

MINIMUM HEADROOM

Sofas fold flat against the sidewall for maximum headroom or fold up for maximum width.

Unobstructed Walkway

Removable sofa provides additional exterior seating.

We have carefully designed the Momentum **Weather-Tek™** Arctic Insulation package to exceed Toy Hauler industry standards.

Attic Vent

R-40 Roof

R-25 Garage Floor

R-11 Sidewalls

R-45 Floor

- Fully Enclosed & Heated Underbelly & Storage Area
- Engineered Underbelly Airflow Heat Paths
- Insulated Heat and A/C Ducts
- Plumbing Line Insulation Barrier

ALUMINUM ENTRY STEPS

Easy to open and will not rust like traditional steel steps.
