* The Cargo Carrying Capacity does not include the weight of water, fluids, all popular options, weights and capacities are approximate, the addition of optional equipment including fiberglass siding will increase the overall weight. All illustrations and specifications contained in this literature are based on the latest product information at time of publication. Forest River reserves the right to make changes in price, color, materials, equipment, and specifications at any time without notice and assumes no responsibility for any error in this literature.

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

A Berkshire Hathaway company.
